Confucius Classroom

The whole school have been busy preparing for the launch of our Confucius Classroom, which will take place later this term. All classes have been learning about Chinese New Year through a range of interesting and exciting activities. The pupils have had the opportunity to work alongside local artist, Sandra Kennedy, through the Creative Learning Partnership with An Lanntair. All pupils have made Chinese lanterns and contributed to making a giant dragon! Please read more information about our link with the Confucius Institute for Scotland's Schools (CISS) in the local Events newspaper:
